

## HALF SQUARE TRIANGLE BLOCK #8

Unfinished block measures 12 ½" square

### Cutting:

**White:** Cut eight 4" squares

**Red:** Cut two 4" squares

**Blue:** Cut six 4" squares

### Step #1:

Place a 4" white square on top of each of the 4" blue squares and red squares, right sides together. Draw a diagonal line on the back side of each white square and sew ¼" on each side of the drawn line. Cut apart on the middle line and press toward the darker side. Trim the blocks to measure 3 ½" square.

### Step #2

Lay out the blocks as shown.

### Step #3:

Sew blocks together into four rows and then sew the rows together to form the block.
